Rising Rivers
Written by Adam Grove

The River Wye has yet again risen due to the increased rainfall the UK has been having over recent weeks. A Local resident living on Castle Street in Wales said that he was astounded by the amount of damage that has occurred as a result of the floods the river and rain have caused.

It is forecasted that there will be no rain this weekend which will be welcomed. The full scale of the damage will be apparent.

7. Which word is a synonym for astounded?

surprised

expected

8. The text has (Tick all that apply)

cause and effect

superlatives

the passive voice

modal verbs

9. The text is about

to persuade

to instruct

to inform
