Qualification Overview

This Entry Level 1 suite of Awards in aspects of English is aimed at adults and young people who wish to improve their English. The Awards are intended to aid progression, either to further study through English Functional Skills or to GCSE English qualifications. The individual standalone units have been mapped to the Adult Literacy Core Curriculum and reflect the requirements of the reformed Functional Skills qualifications. An Entry Level 1 Certificate in English (Stepping Stones to Functional Skills) is also available. This is suitable for those who wish to improve all aspects of their English.

There are several features of these qualifications that make them very appropriate for their target learners:

- Small Award-sized qualifications are available as well as the unit certificates
- They contain relatively short units, each of 20/40 guided learning hours – bite-sized learning
- They can be delivered either as a classroom-based course or as a blended learning programme
- They are assessed by completion of Ascentis-designed time-constrained assessments – no portfolio of evidence is required
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres.

Aims

The aims of the suite of qualifications are to enable learners:

- 1 To gain underpinning grammar, punctuation and spelling skills
- 2 To develop their reading and/or writing skills
- 3 To improve their communication skills in speaking, and receiving and responding to information
- 4 To prepare for Functional Skills in English at Entry Level 1
- 5 To develop the skills required to move into the world of work or work-based learning

Target Group

These qualifications are aimed at a range of learners, including:

- Adults who wish to develop and demonstrate their skills in English
- Young people aged 14–19 who wish to develop and demonstrate their skills in some aspects of English Language
