# Qualification Overview

This one-unit qualification introduces learners to skills for developing and planning their career path.

There are several features of this qualification that make it very appropriate for its target learners:

- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres.
- It can be delivered either as a classroom-based course or as a blended learning programme.
- Evidence can be generated within a wide range of organisational contexts, allowing the qualification to meet the specific occupational requirements of the learners.
- There are Ascentis devised resources to support the delivery of these qualifications.

## Aims

The aims of the qualification are to enable learners:

- To understand own skills to plan a career.
- To understand careers opportunities.
- Understand how to make career decisions.
- Understand career-management skills.

## Target Group

The qualification is aimed at a range of learners, including:

- Young people wishing to pick up an Award as part of another learning programme.
- Young people aged 14–19 who are in various learning environments.

## Regulation Codes

Ofqual Qualification Number:

- Ascentis Level 1 Award in Understanding Career Planning and Development: 603/4936/0

## Assessment Method

The unit is internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. The evidence will be internally assessed and verified by the centre and then externally verified by Ascentis.

Many Ascentis units include suggested content to support wider learning opportunities across three priority areas:

- Digital
- Well-being
- Sustainability.

They are not compulsory and do not form part of the assessment. They are suggestions for tutors who may wish to link the unit content into these areas to further support learner progression in education, training and work.

## Resources to support the Delivery of the Qualification

There is a tutor resource PowerPoint and a learner workbook which covers all assessment criteria. These can be found on QuartzWeb.
