

Ascentis **Level 2 Award**

in

Carbon Awareness and the Impact of Climate Change

Overview Specification

Ofqual Number:	610/0694/4
Ofqual Start Date:	01/08/2022
Ofqual Review Date:	31/07/2026
Ofqual Certification Review Date:	31/07/2027

Qualification Overview

The Ascentis Level 2 Award in Carbon Awareness and the Impact of Climate Change provides learners with the knowledge and understanding to be able to make informed choices leading to positive actions which reduce their carbon footprint. An understanding of how climate change affects everyone will give learners the confidence to share their understanding and motivate others to do the same.

Aims

The aims of the qualification are to enable learners to understand:

- the nature of greenhouse gases and how human activities are contributing to the increasing concentrations in the atmosphere.
- how increasing concentrations of greenhouse gases link to the current impacts of climate change.
- how the choices made by individuals, communities, organisations and governments can reduce the impacts of global climate change.

Target Group

The qualification is aimed at a range of learners, including:

- Young people wishing to pick up an Award as part of another learning programme
- Young people aged 14 – 19 who are in various learning environments
- Adult learners

Regulation Codes

Ofqual Qualification Number: Ascentis Award in Carbon Awareness and the Impact of Climate Change
610/0694/4

Assessment Method

This qualification is assessed through the completion of an Ascentis-devised multiple-choice test that is carried out on completion of the course.

The grading of this qualification is pass or fail.

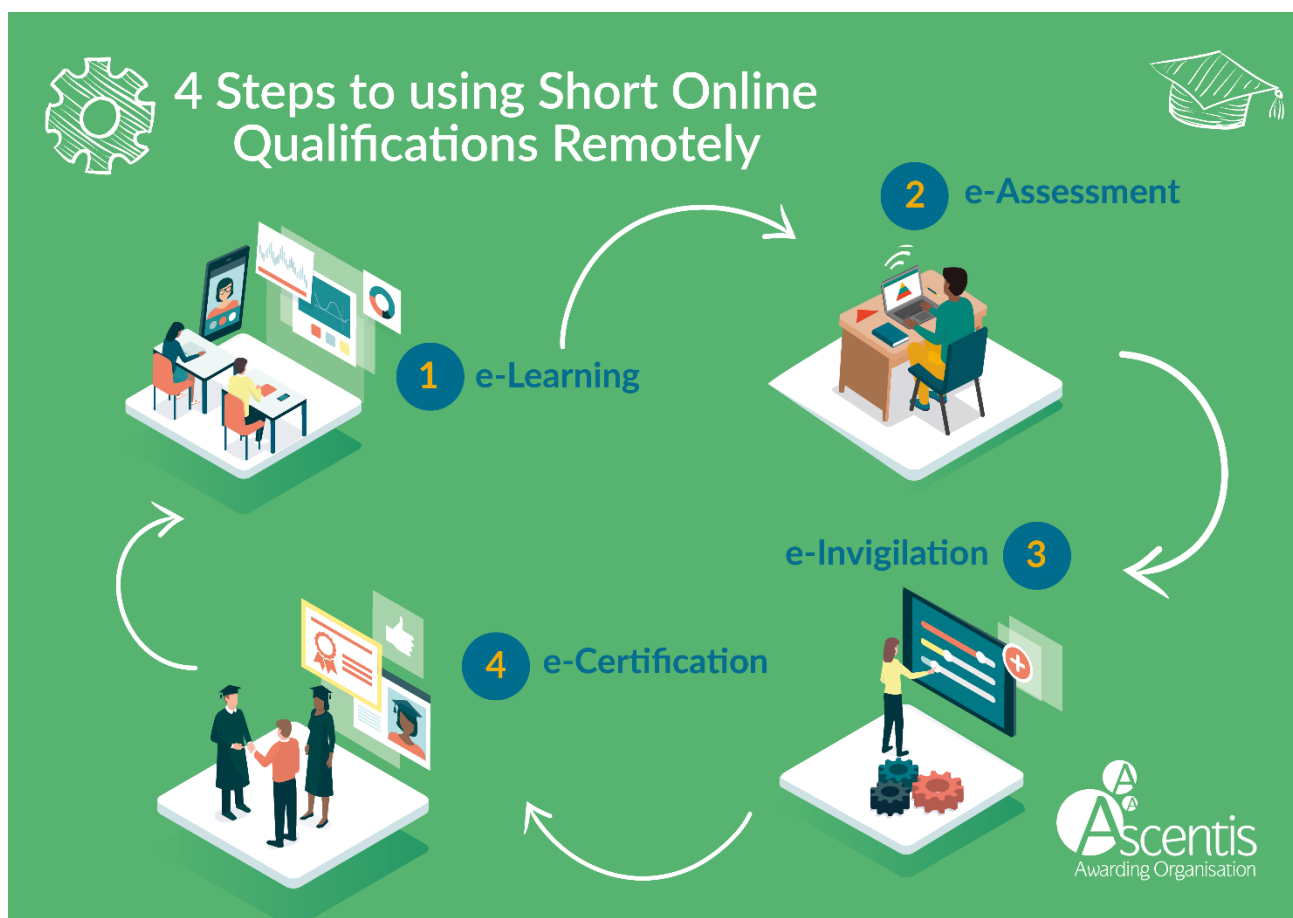

Rule of Combination

Learners must complete one unit for the Level 2 Award in Carbon Awareness and the Impact of Climate Change.

Ascentis Level 2 Award in Carbon Awareness and the Impact of Climate Change				
Title	Level	Credit Value	TQT	Unit Reference
Carbon Awareness and the Impact of Climate Change	2	3	30	H/650/2006

Resources to Support the Delivery of the Qualification

There are interactive online resources and a Tutor Guidance document available to support this qualification. The Tutor Guidance document includes indicative content, sample questions and a glossary of terms to give learners that will support them with technical vocabulary. The Tutor Guidance and full Specification can be found on the Ascentis website, www.ascentis.co.uk.
