## **Qualification Overview**

This qualification is part of a suite of Work Preparation qualifications available through Ascentis which have been designed to help learners develop skills to prepare them for employment in a range of workplaces.

There are several features of this qualification that make it very appropriate for its target learners:

- Unit certification is available for each of the units
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres
- Can be delivered either as a classroom-based course or as a blended learning programme
- Evidence can be generated within a wide range of organisational contexts allowing the qualification to meet the specific occupational requirements of the learners.

### Aims

The aims of the vocational Work Preparation qualifications are to:

### **Regulation Codes**

Ofqual Qualification Numbers:

• Ascentis Level 2 Award in Work Preparation: 603/3957/3

#### **Assessment Method**

All units are internally assessed through the learner building up a portfolio of evidence that covers the relevant assessment criteria. They are then verified by the centre and externally verified by Ascentis.

Many Ascentis units include suggested content to support wider learning opportunities across

three priority areas:

- Digital
- Well-being
- Sustainability.

They are not compulsory and do not form part of the assessment. They are suggestions for tutors who may wish to link the unit content into these areas to further support learner progression in education, training and work.

#### **Resources to Support the Delivery of the Qualification**

Ascentis has devised a suite of learner workbooks and tutor presentation resources to support units within this qualification. The tasks can be contextualised to meet specific needs of learners and emerging local employment needs. Please refer to the separate **Employability Resource Mapping Document** available on QuartzWeb to identify the appropriate workbook for the units you are delivering.
