# Qualification Overview

This Level 2 suite of Awards in aspects of English is aimed at adults and young people who wish to improve their English Skills. The Awards are intended to aid progression, either to further study through English Functional Skills or GCSE English qualifications. The individual stand-alone units have been mapped to the Adult Literacy Core Curriculum. A Level 2 Certificate in English is also available. This is suitable for those who wish to improve all aspects of their English skills.

There are several features of these qualifications that make them very appropriate for their target learners:

- Small Award-sized qualifications are available as well as unit certificates
- Units are relatively short, each of 20/30 guided learning hours – bite-sized learning
- They can be delivered either as classroom-based courses or as a blended learning programme
- They are assessed by completion of Ascentis-designed time-constrained assessment – no portfolio of evidence required
- Verification and certification can be offered throughout the year, allowing maximum flexibility for centres

## Aims

The aims of the suite of qualifications are to enable learners:

- To gain underpinning grammar, punctuation and spelling skills
- To develop their reading and/or writing skills
- To improve their communication skills in speaking, receiving and responding to information
- To prepare for completion of the Functional Skills in English at Level 2 or GCSE English
- To develop the skills required to move into the world of work or work-based learning

## Target Group

These qualifications are aimed at a range of learners, including:
